Dear Patron or Area Business.

Cape Fear Christian Academy Lady Eagles humbly appeal to your generosity and ask that you consider our Spike Out Cancer Event worthy of your sponsorship and/or donation.

This is our 2nd Annual Spike Out Cancer event in which we will be playing in a volleyball match against Lee Christian Academy. All donations/funds made at this event will then be donated to a local Non-Profit **Friends Fighting Cancer**.

Friends Fighting Cancer is committed to giving hope and celebrating life by treating cancer patients and their families with compassion and providing them with spiritual, emotional, financial, and education support.

Cancer is an insidious disease that severely impacts the lives of patients, their family members and friends. **Friends Fighting Cancer** is a patient advocacy volunteer group whose members are driven by the shared purpose of being advocates for cancer patients who have been or are undergoing chemotherapy or other treatment for cancer.

By making a contribution, your business would receive local recognition and advertising at a very visible, high traffic area. Cape Fear Christian is home to many local families and friends that will be attending this event.

We hope we can count on your support for our cause in helping **Friends Fighting Cancer**. Please fill out the form below and contact MaryBeth Young at myoung@cfcaeagles.com or (813) 380-4023, to accept your donation and arrange for advertising.

Sincerely,

The Coaches and Athletes of the Ladies Eagles Volleyball Team

Cape Fear Christian Academy

Proud Sponsor of the Ladies Eagles and FRIENDS FIGHTING CANCER
